Relief of certain  
members.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That members and former members of the Army are relieved of all liability to refund to the United States the amounts, which were otherwise correct, erroneously paid on their behalf prior to January 21, 1964, as payments for nontemporary storage of household goods during periods such members were delayed by reason of permissive temporary duty en route to attend civilian colleges to fulfill requirements for degrees.
